How We Have Changed For 2027

New for 2027!

Standard Option

- We have increased our frame allowance to $160.00. At all MyEyeDr. locations, the frame allowance is $210.

Expanding Provider Network

- We now offer access to over 245,000 eye care providers nationwide, plus many popular online retailers including Warby Parker. Find a provider near you at www.bcbsfepvision.com/providers.

Enhancing our Commitment to our Members

- We have updated our Exclusive Collection of frames with 40 new fashion-forward frames designed for every face. Members have special access to the Exclusive Collection, featuring more than 200 frames available at no cost through thousands of participating in-network independent providers. To find a provider that offers the Exclusive Collection, look for the eyeglass icon in the “Find Care” directory. Members can also explore the latest Exclusive Collection styles, including new color palettes, specialty sizing, and low-bridge fits for adults and children, using the Virtual Try-On Tool at **www.bcbsfepvision.com/frametryon**.
